

1876

*Oliver & Boyd*

---

About 1876 a pocket atlas was published in Edinburgh by Oliver & Boyd priced at four pence. Only the world map has the imprint of 'J. Bartholomew Edinr.' but it may be assumed that they were all produced by that famous firm. Soft pale green covers of 155 x 120 mm. enclose sixteen coloured maps about 100 x 130 mm. and printed back to back:

*The World; Europe; England & Wales; Scotland; Ireland; France; German Empire; Asia; India; Africa; North America; Canada; United States; South America; Australia & New Zealand; Palestine.*

*Oliver & Boyd's Junior atlas: containing 16 full coloured maps.* Edinburgh, Oliver & Boyd, (1876).
